

EducationUSA: Increasing Partnerships Between U.S. and Brazilian Higher Education Institutions

100K Strong Call for Brazil

A U.S. Department of State Network

EducationUSA is the U.S. Department of State's global network of international student advising centers located in more than 175 countries and territories.

160 EducationUSA advising centers are located throughout the Western Hemisphere (WHA) in U.S. embassies, Fulbright Commissions, binational centers, universities, libraries, and other institutions.

EducationUSA centers promote internationalization and increased collaboration with U.S. higher education institutions.

The WHA Region includes 5 of the world's top 25 sending countries to the U.S. and 6 of the world's top 25 study abroad destinations worldwide for U.S. students.
